Congratulations to the outstanding three finalists for the Young ASEAN Insurance Manager Award 2021. Representing their respective countries, these young leaders have undergone the first level assessment and will move on to the final stage of assessment which is the interview session with panel judges, comprising senior industry leaders from ASEAN.

The ASEAN Insurance Council established this prestigious award to recognise outstanding young managers for their achievements, contributions, and dedication to the insurance industry, as well as their potential as future leaders in the ASEAN insurance economies. The YAMA aims to inspire dynamic individuals to take the lead and be a catalyst of growth for the region's industry and economy.

Despite the challenges posed by the Covid19 pandemic, AITRI believes that our mission to highlight and honour these young inspiring industry leaders must continue. 56 applications were received for YAMA 2021 which surpasses that of any prior year. This reflects the greater optimism and development of the industry as well as talent over the years.

YAMA 2021 will be hosted virtually in light of the continuing challenges brought on by the pandemic to ensure the award's continuation. The finalist interview and awards judging will take place on October 5, 2021, and the YAMA 2021 winner will be announced on October 28, 2021, in conjunction with the 24th ASEAN Insurance Regulators Meeting (AIRM) and the 47th ASEAN Insurance Council (AIC) Joint Plenary Meeting, which will be hosted by Singapore.

On behalf the AITRI Secretariat, we would like to thank everyone who participated in YAMA 2021 and the quality of applications received is testament to the strength of the talent in the region. We are hopeful that with these dynamic talent, the industry will continue to grow from strength to strength and achieve new heights.
